

YJB NAMED A NATIONAL TIER ONE FIRM

For the seventh consecutive year, YJB has been named by U.S. News & World Report as a National Tier 1 Law Firm in Railroad Law. U.S. News has consistently recognized YJB's dedication to its clients and knowledge of the law, naming it a top-tier railroad firm every year since 2010 when the rankings began.

YJB is the ONLY plaintiff's firm in the country to have been recognized by the publication every year of the rankings.

If you or a loved one has been injured by the railroad or if the railroad has retaliated against you in violation of federal whistleblower protections, don't leave your case in the hands of just anyone. Call the nationally recognized team of YJB today at 800-435-7888.
